

SolarMax Pro Energy Storage Systems

48v industrial frequency inverter with DC power supply

Overview

With the 48V DC input, you can run smaller cable and multiple batteries for this heavy-duty inverter. Offers a direct-connect wire terminal block for full load applications. Direct wire will allow you to pull the full 7,000W from this inverter, whereas the standard universal outlet is only capable of about 1500W. Ideal for mobile businesses, construction sites and off grid cabins. 7000 watts of continuous output power with a surge power (peak power) capability of 14,000 watts. Auto Cooling Fan Start at 107 degrees F. This inverter can be used in extreme heat locations, or under intense loads without disruption. AIMS Power inverter has a surge time for up to 9 seconds, while standard inverters can only sustain their surge power ratings for less than a second. DC volt meter - input meter. Output wave form: modified sine wave with phase correction. Percent load usage LED bar. Power switch LED is also a self test light and it's green. Overload fail LED light shines red. Surge power rating is a huge advantage for loads that require a large in rush current, for example: air conditioners and compressors can have an in rush rate of 4-5 times their normal running amps or watts. Free 1 year tech support. Externally located re-settable circuit breakers. AC output short circuit protection for preventing fire and explosions. Convenient, pre-slotted mounting plate and an aluminum case for optimal cooling. The 220V AC can provide a small house with power over seas when the utility power is out or unavailable. 1 universal AC receptacle 240 volt. Internal fuse protection. Modified sine inverter measures at 21.26 in. depth x 8.43 in. width x 5.35 in. height and weighs 31 lb. Over temperature LED indicator helps prevent overheating. Overload protection and overload LED indicator help prevent motor damage. Thermally controlled fan keeps power inverter cool. 1 year warranty parts and labor. For additional information on this product, please see the Product Documents section for all downloadable user manuals, installation guides, brochures and warranty statements.

48v industrial frequency inverter with DC power supply

AIMS Power 7000 Watt 48 VDC to 240 VAC Industrial Power Inverter

This inverter supplies ample power to run large pumps compressors power tools multiple appliances job sites and even a small house! It has PWM programming which corrects any fluctuation in voltage or frequency caused by battery fluctuation or sudden surges in power ...

DC Power Supply Equipment 48V

Find here DC Power Supply Equipment 48V manufacturers, suppliers & exporters in India. Get contact details & address of companies manufacturing and ...

AIMS Power DC Power Inverters

These 12-, 24-, 36- and 48-volt DC inverters are made by AIMS Power, manufacturer of industrial-grade inverters that can power many kinds of equipment, machinery, appliances and ...

[7000 Watt Power Inverter 48Vdc to 240Vac Industrial ...](#)

From recreation to industrial applications or off-grid home and solar power needs, this 7000 watt

modified sine wave inverter delivers enough durable power for ...

[9000VA 3-phase inverters 48VDC to 208 VAC or 380 ...](#)

Pure sine wave output exactly duplicates mains power. Neutral point is grounded--Ultra quiet with no electrical interference. Suitable for ...

ABSOPULSE: AC-DC Power Supplies, DC-DC Converters, DC ...

We specialize in the design and manufacture of heavy-duty switch-mode AC-DC power supplies, rectifiers and battery chargers, DC-DC converters, DC-AC sine wave inverters, AC-AC phase ...

[Power Frequency Inverter UPS 48V 5kVA for Telecom](#)

The Industrial UPS Inverter from Communication Power Inverter NASN Factory is a new generation of intelligent MCU industrial Power Supply inverter and a ...

AIMS Power 5000 Watt 48V DC to 120V AC Industrial Pure Sine Power Inverter

From safe and stable lithium batteries to world class inverter technology and solar options, our products help customers power their lives in a clean, efficient, and resource / cost efficient way.

9000VA 3-phase inverters 48VDC to 208 VAC or 380 VAC or ...

Pure sine wave output exactly duplicates mains power. Neutral point is grounded--Ultra quiet with no electrical interference. Suitable for operation with lead acid, sealed lead ...

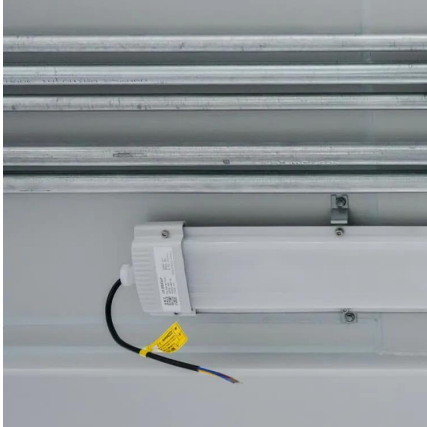

48-volt-pure-sine-inverter-charger

The 2000 watt 48 volt low frequency AIMS Power inverter charger transforms DC (direct current) power, produced by solar panels and stored by batteries, into ...

(48VDC TO 220VAC) Industrial frequency inverter power supply

The inverter has high invert efficiency (in the condition of full load, the invert efficiency can be up to 85%). At the same time, this inverter have strong non liner load driving capability.

AIMS Power 7000 Watt 48 VDC to 240 VAC Industrial Power Inverter

A leader in solar power and safe energy storage for more than 20 years, AIMS Power is the answer to all of your solar and back up power questions. Designed for use in ...

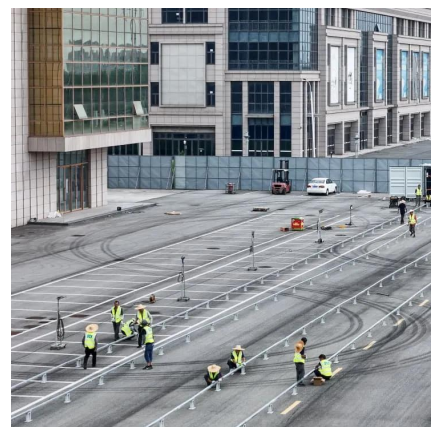

S8VK-WB Switch Mode Power Supply (240/480/960-W Models)

Switch Mode Power Supply (240/480/960-W Models) Even more compact three-phase 380 to 480 V input power supplies. Reduces wiring work with the Push-In Plus ...

DC-DC & AC-AC Power Inverters. Fixed & Car , RS

Fixed installation DC AC power inverters are electronic devices that change direct current (DC) to conventional alternating current (AC).

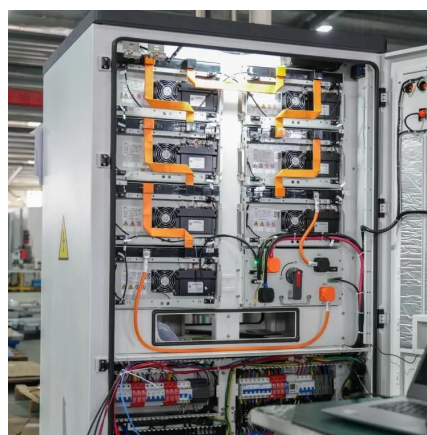

DC to AC Power Inverters

AIMS Power inverters are a complete line of DC to AC power inverters, off grid and car power inverters are available in 12 volt, 24 volt and 48 volt power inverters.

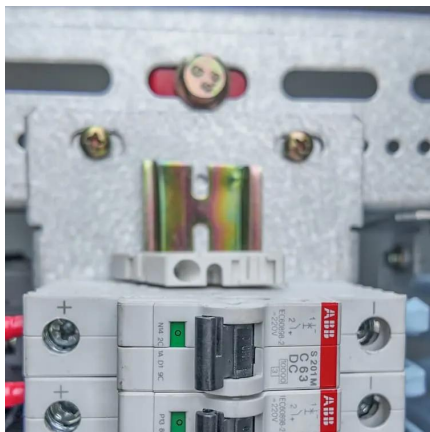

(48VDC TO 220VAC) Industrial frequency inverter ...

The inverter has high invert efficiency (in the condition of full load, the invert efficiency can be up to 85%). At the same time, this inverter have strong non ...

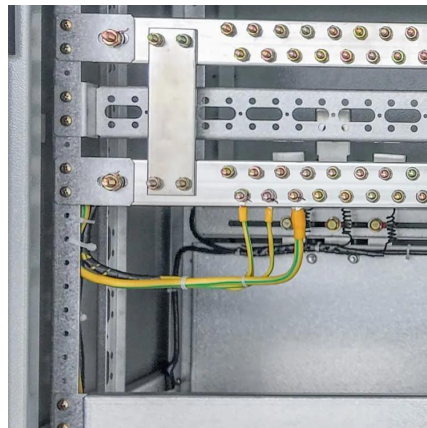

AIMS Power 7,000 Watt Modified Sine Inverter, 48V DC to 240V ...

The AIMS Power 7000W Modified Sine Inverter accepts a 48V input and produces 240Vac of modified sine wave AC power. With the AIMS Power industrial grade line, you get a ...

ABSOPULSE: AC-DC Power Supplies, DC-DC ...

We specialize in the design and manufacture of heavy-duty switch-mode AC-DC power supplies, rectifiers and battery chargers, DC-DC converters, DC-AC ...

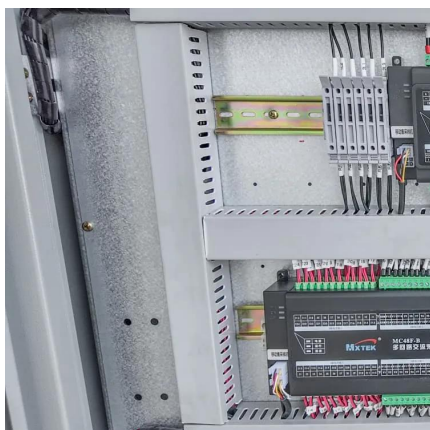

[Power Frequency Inverter UPS 48V 5kVA for Telecom](#)

The Industrial UPS Inverter from Communication Power Inverter NASN Factory is a new generation of intelligent MCU industrial Power Supply inverter and a standalone DC to AC ...

[AIMS Power 48-Volt Pure Sine Power Inverters](#)

Create a backup power system with 48-volt pure sine power inverters that are ideal for reliably powering a large range of electronics, tools and appliances.

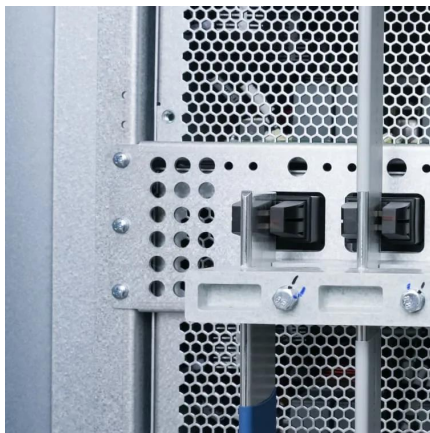

48v Pure Sine Wave Inverter

Affordable price 300 watt 48 volt pure sine wave inverter, 50/60Hz output frequency can be chosen. DC 48V to AC 110V/220V/230V/240V, intelligent temperature control, high efficiency. ...

[WZRELB 4000W 48V Pure Sine Wave Inverter, 48V ...](#)

Professional & Reliable WZRELB 4000watts split phase pure sine wave power inverter 48V DC to 120V 240V AC provides household power on ...

7000 Watt Power Inverter 48Vdc to 240Vac Industrial Grade

From recreation to industrial applications or off-grid home and solar power needs, this 7000 watt modified sine wave inverter delivers enough durable power for high end equipment that ...

[Elcomsys - Authorized Distributor & Supplier of Hi ...](#)

Your one stop supplier for Switch Mode Power Supplies - AC to DC, DC to DC Converters, RF & Microwave Components and Systems for ...

AIMS Power 7000 Watt 48 VDC to 240 VAC Industrial Power ...

A leader in solar power and safe energy storage for more than 20 years, AIMS Power is the answer to all of your solar and back up power questions. Designed for use in Home, RV, Cabin, Boat, and ...
