

**SolarMax Pro Energy Storage Systems**

## **Austria solar sun room manufacturer**

## Overview

---

Who built Austria's largest solar thermal plant?

Austria's largest solar thermal plant, covering an area of 5,700 square meters, was built by KPV Solar. The plant was recently opened by Climate Protection Minister Leonore Gewessler and Governor Peter Kaiser.

What is AAE Naturstrom's agricultural solar farm?

AAE Naturstrom's agricultural solar farm is a project that enables the simultaneous use of open spaces for solar power generation and agricultural cultivation. The entire planning and construction of the solar farm was carried out by KPV-Solar.

Why should you choose Winkler's solar thermal system?

Winkler's traditional competence in building roofs provides perfectly crafted connections at any side of the solar system. Municipal and commercial heat grids are increasingly supplied by biomass heatings. Due to a reduced energy demand during summer, a solar thermal installations will ideally replenish the system.
