

SolarMax Pro Energy Storage Systems

Customized energy storage cabinets for Canadian industry and commerce

Overview

Who makes custom industrial storage cabinets?

Unitran Manufacturers is proud to provide custom industrial storage cabinets for warehousing, industrial facilities, automotive shops, and other demanding applications.

Who makes energy storage enclosures?

Machan offers comprehensive solutions for the manufacture of energy storage enclosures. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services.

Why should you choose energy storage cabinets?

This ensures that energy storage cabinets can provide a complete solution in emergency situations such as fires. To accommodate different climates, we provide professional recommendations based on customer usage scenarios and requirements.

Why should you choose Machan for your energy storage enclosure?

Machan has extensive experience in the manufacture of outdoor enclosures, enabling us to meet the diverse needs of energy storage enclosure customers across a range of industries and applications.

What is a high-strength steel storage cabinet?

Every cabinet is manufactured from high-strength steel and finished with a powder coating to deliver the durability and security expected from high-quality metal storage cabinets—even in the harshest work environments.

Do energy storage cabinets need to be painted?

This ensures that energy storage cabinets maintain excellent appearance and

performance, as well as resisting corrosion and UV radiation. We place particular emphasis on comprehensive pre-paint processes, including degreasing, cleaning and neutralisation, to ensure excellent paint adhesion and quality.
