

# Iceland container refrigerated cabinet wholesale

### **Overview**

Where can I find cold storage containers for sale near me?

Conexwest delivers a complete inventory of cold storage containers for sale near you. Use our interactive map to discover shipping containers for sale near you. Our exhaustive network and diverse geographic advantages secure cost-effective cold storage refrigerated containers, high-quality service, and direct delivery in your area.

What size refrigerated shipping containers are available?

The two standard sizes of containers are 40 ft and 20 ft, and we can help you figure out which length suits your needs better. Also, depending on your budget, we have a selection of new, refurbished, and used cold-storage refrigerated shipping containers for sale, all of which have their own benefits.

What is a refrigerated shipping container?

Imagine a refrigerated shipping container as a superhero for your groceries and products! It's not your ordinary shipping unit because it's specially designed to keep things like your juicy fruits, meat, vegetables, and delicate pharmaceuticals safe and sound during their long journeys across the seas, roads, or rails.

Is a refrigerated cold storage container right for your business?

If your business deals with temperature-sensitive cargo or requires cold storage, then this is the right product for you. We definitely have the most cost-effective refrigerated cold storage container for sale that will keep your items cold and in pristine condition. How cold can a refrigerated container get?

Where can I buy a chilled storage container?

At Conexwest, we have a solid selection of shipping containers for sale that can help you find the right chilled storage container for your needs. Our containers vary in size, as well as in the temperatures that they can sustain, and all of them can be further customized to fit your requirements.

What size refrigerated container does advanced container company offer?

At Advanced Container Company, we take the specifications of your refrigerated container needs into consideration to help maximize your storage options. Any size container can have refrigeration added, but we have 2 standard sizes 20' reefer and 40' reefer, both with their own specs.
