

SolarMax Pro Energy Storage Systems

Inverter 2700w power

Overview

How much power does a portable inverter generator produce?

Packed with a powerful 98cc OHV engine, this portable inverter generator delivers a high output of 2,700 starting watts with 2,200 running watts of pure power. It's clean inverter technology allows for the safe usage of sensitive electronics such as laptops, smart phones, speakers, and TVs.

What is the best portable inverter generator?

Whether it's camping in the mountains, tailgating for the big game, or simply exploring in your RV, the SUA2700i is the ideal inverter generator for you. Packed with a powerful 98cc OHV engine, this portable inverter generator delivers a high output of 2,700 starting watts with 2,200 running watts of pure power.

What is inverter technology?

Inverter technology provides clean stable source of power for sensitive electronics such as, laptops, TV's, phone chargers and sensitive power tools. Low Idle Technology + Compact Design: Lightweight for easy transport and mobility with telescoping handle and flat free wheels. Extended run time of 10.5 hrs at 25% load with 1.0 gallon fuel tank.
