

SolarMax Pro Energy Storage Systems

New Zealand home energy storage system manufacturer

Overview

Paris, January 10, 2023 – Saft, a subsidiary of TotalEnergies, has been awarded a major contract by Meridian Energy to construct New Zealand's first large-scale grid-connected BESS. Which energy company is building New Zealand's first grid-connected battery energy storage system?

Meridian Energy is building New Zealand's first large-scale grid-connected battery energy storage system (BESS) at Ruakākā on North Island. Paris, January 10, 2023 – Saft, a subsidiary of TotalEnergies, has been awarded a major contract by Meridian Energy to construct New Zealand's first large-scale grid-connected BESS.

Who installs sigenergy hybrid inverters & energy storage solutions in New Zealand?

Planet Electrical is proud to install Sigenergy hybrid inverters and energy storage solutions across New Zealand. With their advanced technology, reliability, and efficiency, Sigenergy is an excellent choice for anyone looking to reduce energy costs, maximize solar power, and achieve energy independence.

Why are New Zealand homeowners turning to solar power?

The way we power our homes is evolving. Across New Zealand, more homeowners are turning to solar - not just to save on electricity, but to take greater control in the face of rising energy costs, increasing demand on the grid, and growing concerns around power reliability.

New Zealand home energy storage system manufacturer
