

SolarMax Pro Energy Storage Systems

Paraguay adds new energy storage batteries

Overview

A joint venture (JV) formed by investors PASH Global and ERIH Holdings reportedly plans to develop utility-scale solar power facilities and battery energy storage system projects in Paraguay. Does Paraguay have a grid-scale energy storage project?

The capital of Paraguay, Asuncion. The country has not announced any grid-scale energy storage projects to-date. Image: CC / Mariano Mantel. Investment firms PASH Global and ERIH Holdings have formed a joint venture (JV) to develop utility-scale solar and battery storage projects in Paraguay.

Is the grid-scale battery storage market in Paraguay about to change?

Like most of Latin America, the grid-scale battery storage market in Paraguay is at a relatively early stage. However, recent moves by the government show that may be about to change.

How much does electricity cost in Paraguay?

This price has remained very low (about US\$2.81 per MWh). It is argued that, if this price was more in line with actual electricity prices in the Brazilian market, Paraguay would have enough resources to strengthen its electricity transmission capacity.

Paraguay adds new energy storage batteries

Battery Equipment Near Paraguay

The Prismatic lithium iron phosphate battery cell is packaged in an aluminum case with a maximum energy density of 185Wh /kg. Prismatic cell is currently the most widely used type in ...
