Park Leisure Outdoor Power Supply

Overview

What can I buy at Towsure outdoor leisure?

Shop for electrical mains kits, inverters and generators, portable TV and satellite reception, and low-wattage electrical appliances for use in the caravan or on the campsite. Great prices at Towsure Outdoor Leisure.

Does parkpower provide replacement plugs & connectors?

ParkPower supplies a wide range of replacement plugs and connectors, as well as accessories to seal and weatherproof your detachable power components. With a robust and reliable construction and corrosion-resistant components, ParkPower inlets are designed for dependability in challenging conditions. Available in three styles. IP56 rated.

Do recreational vehicle parks provide power?

Today, most recreational vehicle parks provide power for their tenants. This application presents unique requirements including user safety, rugged construction, weather protection, receptacle versatility and attractiveness. Midwest offers both the traditional metallic equipment and the ParkMate* series of non-metallic thermoplastic units.

Are parkpower adapters CSA approved?

All adapters are CSA-approved. ParkPower supplies a wide range of replacement plugs and connectors, as well as accessories to seal and weatherproof your detachable power components. With a robust and reliable construction and corrosion-resistant components, ParkPower inlets are designed for dependability in challenging conditions.
