What is a 100W USB-C portable power bank?

Available in 100W and 140W options, these compact, reliable power banks feature an LED battery-level indicator, two USB-C charging ports, and one USB-A charging port. The Targus® 100W USB-C Portable Power Bank (APB080) allows fast and convenient charging at your fingertips.

What devices can you charge with a 100W power bank?

You can charge a wide range of devices with a 100W power bank, including laptops, smartphones, tablets, portable gaming consoles, digital cameras, and other USB-powered gadgets. These high-capacity power banks offer versatile charging options, making them suitable for various electronics while providing fast and efficient power delivery.

What is a 100 watt power bank?

100W power banks provide a high-capacity portable charging solution, capable of quickly charging multiple devices on the go, ensuring you stay connected and powered up. Check out Anker's 100 watt power banks to enjoy charging convenience and efficiency on the move.

Why should you buy a portable power bank?

Get portable power for fast and convenient charging at your fingertips to be more productive on the go. Designed to be airline-safe and super portable, these power banks are ideal for travel.

Are 100W power banks suitable for outdoor activities?

Yes, 100W power banks like Anker's 24000mAh power banks with multiple ports are suitable for outdoor activities and travel. Their high capacity and versatile charging options make them ideal for keeping multiple devices powered up while on the go.

## Can a power bank charge a phone?

While most power banks provide ports, some also offer built-in charging cables for commonly used devices so you won't have to carry separate charging cables. You can also find portable phone chargers that attach directly to your smartphone to automatically extend your phone's battery life.
